A Note Regarding Your Anesthesia Service

A Board Certified Anesthesiologist, as an independent contractor, will provide your anesthesia service. The anesthesiologist is not an employee of Digestive Disease Associates of Rockland PC.

If you do not receive a bill from Northeastern Anesthesia Services PC, it means that your insurance carrier has satisfactorily addressed the claim and you do not need to inquire any further. We currently participate with most insurance carriers in our area.

Although most claims are satisfactorily addressed, if you receive a bill from Northeastern Anesthesia Services PC, you may have a plan that, despite our participation, applies a co-pay or deductible making you financially responsible for a portion of our service. PLEASE DO NOT CALL YOUR PHYSICIAN'S OFFICE. If you have any questions, please call us at (800) 362-6220. You may want to discuss the specifics of your plan with your insurance carrier before your procedure.

If you receive a check from your insurance company payable to you for services of the anesthesiologist, please endorse the check payable to Northeastern Anesthesia Services PC and forward it with a copy of the Explanation of Benefits to the following address:
